## Lesson 27 – The Truth About Bible Prophets Contd.

**1905:** Flesh was never the best food; but its use is now doubly objectionable, since disease in animals is so rapidly increasing. Those who use flesh foods little know what they are eating. Often if they could see the animals when living and know the quality of the meat they eat, they would turn from it with loathing. People are continually eating flesh that is filled with tuberculosis and cancerous germs. Tuberculosis, cancer, and other fatal diseases are thus communicated. **[The Ministry of Healing, 131, 1905]**

In **1910**, Rous ground up a cancerous tumor from a chicken and filtered out everything larger than a virus. The resulting liquid produced cancer when injected into other chickens. For many years, scientists scoffed at Rous's discovery. These scientists believed cancer could not be caused by a virus because the disease is not contagious. In 1966, Rous shared the Nobel Prize for physiology or medicine for his work. **[Rous, Francis Peyton, World Book Encyclopedia.]**

**Dr. Wendell Stanley University of California Virologist, and Nobel Prize Winner, 1956** Went so far as to state without qualification that “he believes viruses cause most of all human cancer”  
**[Newsweek, June 18, 1956]**

“As near as one can judge by the evidence of modern nutritional science, her extensive writings on the subject of nutrition, and health in general, are correct in their conclusions. This is doubly remarkable: Not only was most of her writing done at a time when a bewildering array of new health views--good and bad--were being promoted but the modern science of nutrition, which helps us to check on views and theories, had not yet been born. Even more singular, Mrs. White had no technical training in nutrition, or in any subdivision of science that deals with health. When one reads such works by Mrs. White as Ministry of Healing or Counsels on Diet and Foods, he is impressed by the correctness of her teachings in the light of modern nutritional science. One can only speculate how much better health the average American might enjoy, even though he knew almost nothing of modern science, if he but followed the teachings of Mrs. White.” **[Clive M. McCay, Ph.D; M.D]**

**Spiritualism:** I saw that the saints must get a thorough understanding of present truth, which they will be obliged to maintain from the Scriptures. They must understand the state of the dead; The people of God must be prepared to withstand these spirits with the Bible truth that the dead know not anything, and that they who appear to them are the spirits of devils. **[Early Writings, 87]**

**E. Exalting Christ.** "Lift up Jesus, you that teach the people, lift Him up in sermon, in song, in prayer. Let all your powers be directed to pointing souls, confused, bewildered, lost, to "the Lamb of God." Lift Him up, the risen Saviour, and say to all who hear, "Come to Him who hath loved us, and hath given Himself for us." Let the science of salvation be the burden of every sermon, the theme of every song. [**Gospel Workers, 159, 160. 1915**].

Let the Testimonies be judged by their fruits. What is the spirit of their teaching? What has been the result of their influence? "All who desire to do so can acquaint themselves with the fruits of these visions. [**Testimonies for the Church Vol. 5, 671.1**]

Abundant light has been given to our people in these last days. Whether or not my life is spared, my writings will constantly speak, and their work will go forward as long as time shall last. My writings are kept on file in the office, and even though I should not live, these words that have been given to me by the Lord will still have life and will speak to the people. But my strength is yet spared, and I hope to continue to do much useful work. I may live until the coming of the Lord; but if I should not, I trust it may be said of me, "Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them" [**Revelation 14:13**] [**1 Selected Messages, 55.5**]
